Subject: Request for Attendance Provision for KL Researcher's Club Members

This is to inform you that the reconstruction of the **Veda Student Body** is scheduled to be discussed over a period of two days. It is mandatory that **all group members and advisors** be present for this discussion, as the Protocol is required for us to maintain smooth and obstacle-free events today.

''z **Friday, 27-02-2026**

Attendance is essential for all, as crucial decisions regarding roles, responsibilities, and future objectives will be finalized. The list of advisors who are required to attend has already been provided.

We request consideration for attendance on these specified dates so that no member faces any academic issues or penalties for participating in this mandatory organizational activity. Your support will help ensure smooth functioning and successful restructuring of the Veda Student Body.

Thank you for your understanding and cooperation.

Sincerely,

Veda Student Body
